

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

I strongly urge you to take a long look at the direction these measures would take us in-It is truly an excellent opportunity to make a stand for the American people and their interests. Thanks in advance,
